

ACSI & In-House Activities

2018-2019

Submitted by: Mrs. Cervantez

Milpitas Christian School offers many various activities for students to demonstrate and practice God-given abilities and talents. Several of our events will be conducted as an “in-house” event, meaning that they will be here at MCS and are not sponsored through ACSI (Association of Christian Schools International). MCS students will be participating in eight ACSI events. MCS has also registered with the Scripp’s National Spelling Bee again this year. Last year, MCS student Caitlin H., was one of 500 students who participated in the Scripp’s National Bee in Washington, DC! Way to Go, Caitlin! All of these activities seek to encourage and inspire students toward a standard of excellence.
